Situation Overview

- **California State of Emergency Proclamation**

On March 4, 2020, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the State prepare for broader spread of COVID-19.

- **Global Health Advisory**

On August 6, 2020, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on March 19, 2020, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov>.

- **Executive Order N-33-20**

On August 28, 2020, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

- **FEMA-4482-DR-CA**

On March 22, 2020, President Trump approved Major Declaration FEMA-4482-DR-CA (DR-4482) for the COVID-19 Pandemic.

Guidance

- The California Department of Public Health conducted a conference call for California healthcare facilities on October 27, 2020, to provide updates on COVID-19. Notes were distributed via the California Health Alert Network (CAHAN).
- On October 28, 2020, open sources reported a RYUK ransomware attack affecting multiple hospitals and healthcare providers over a 24-hour period. These aggressive and concerted attacks were reportedly conducted by an Eastern European cybercriminal group, UNC1878, noted by cyber security firm Mandiant as "one of most brazen, heartless and disruptive threat actors... observed." 1 Cyber threat actors predominately conduct ransomware attacks for financial gain; we assess that organizations like UNC1878 believe healthcare entities are more likely to pay during this period of ongoing uncertainty surrounding the COVID-19 pandemic. Notes distributed via CAHAN.

- EMSA has acquired additional warehouse space and has resumed processing and storing ventilators to ensure response readiness.

Department of Health Care Services (DHCS)

- These providers and all Phase 3 applicants will have until 2359 hours EST on November 6, 2020, to submit their applications for payment consideration. HHS (Health and Human Services) is focused on ensuring the safe continuity of all types of health care delivery despite this pandemic and is committed to providing relief resources in an equitable manner to assist the diverse health care provider community. For additional information providers can visit the CARES Act Provider Relief Fund page.

Department of State Hospitals (DSH)

- On October 28, 2020, one patient at DSH-Coalinga tested positive for COVID-19 during the first round of serial testing on October 28, 2020. The patient was housed in a unit that was under quarantine and undergoing serial testing due to a staff member testing positive. The patient is being moved to the hospital's isolation unit on October 29, 2020. The patient will then be retested after placement in the isolation unit is complete.
- Continue mitigation measures statewide at all five hospitals and headquarters.

Listos California

- NSTR

Transportation and Critical Infrastructure Task Force (ESF 1/ESF 3)

Accomplishments:

- Governor Newsom signed Executive Order N-83-20 that directs the California Department of Transportation to create a process for issuing temporary encroachment permits enabling commercial activities in the state highway right-of-way, allowing businesses located along state highways to expand their outdoor dining options onto sidewalks and parking areas, where safety permits. The California State Transportation Agency is working with CalTrans on an Executive Order Implementation plan.
- In addition, the order allows people 70 years of age or older to renew their drivers' licenses by mail, further limiting in-person transactions at the Department of Motor Vehicles and helping this COVID-19 vulnerable population isolate at home.
